Disclaimer:

These renderings and videos are meant for
conceptual purposes only

All products, finishes, furnishings, lighting, and topography is not intended to be exact, but rather to help showcase the structural features designed by Drexel for your home!

For a more accurate understanding of Drexel product selection, please reach out to Drexel's Product Specialists for assistance. In regards to Cabinetry- please refer to the Cabinetry Specialists elevations + drawings for exact cabinet specifications. (*ie: drawers vs doors*)

Please keep in mind that the sunlight tends to cause the colors to appear much lighter in certain rendered images than others
